

This is Corné Bouman, candidate Mr Leather Belgium 2019.
He's 43 and single but sharing his house with 2 cats Tommy and Yara.
He's a lawyer and works as a compliance officer.

Wearing leather is what he likes. It really feels like a second skin.
Although sometimes you'll see less leather and more skin...

His project as Mr Leather Belgium 2019 will be on mental health.
His story is that he suffers from loneliness and depressions due to that.
He is not the only one. He wants to commit himself to this project by telling his story by being frank and honest.
Nobody deserves to be lonely and suffer due to that.
